## Patch Empire Earth V1.00.2020.rar

[Download](#)

patch empire earth v1.00.2020.rar | 8.62 Mb This is an addition. Please install original "Earth Master" first and then you can install Patch. In the patch, you will see new features. For example, you can run the game as an administrator, use the new mission editor, and much more. Please note that the patch is not compatible with the original. You must install the original "Earth Master" before installing the patch. C:\\Program Files\\Earth Master\\
