Enter a world of corruption and madness! In Tangled: The Eye of Oblivion, you play as a young man who survived the events of the "tribulation" and returned to his village to rebuild the world. But, alas, when he returns to the village, he finds it nothing but a wasteland. Forced to leave the village along with his sister, they end up in the desert, where they are chased by demons and slowly perish, only to be resurrected. After a while, they escape from the demons and reach the town of Xander, and there they meet a young girl called Cecilie. She is so pure of heart and beautiful that they fall in love with her. But despite their strong determination, Cecilie may not have the fate she desires. Indeed, most of the current age is just like Cecilie. The two young people then face their fate alone, and the story continues.

Gather in a Gionoo, a fascinating group of people! As a resident of a small village in the old Gionoo, you work with your compatriots at home and through the town, and learn to live with them. Care for and raise villagers, including your

A method of assessing temporal bone pneumatization. Temporal bone pneumatization is evaluated with CT scans in a retrospective study of the temporal bone anatomy of cranial base specimens. The literature is reviewed and the results from our study are compared to other studies, as well as to other basic research in the cranial base. A conclusion is made as to the best method to evaluate temporal bone pneumatization. It is shown that CT scan is a valuable tool for the study of the anatomy of the cranial base. The methods of measuring temporal bone pneumatization are discussed with a view to finding an optimal measurement that accurately reflects temporal bone pneumatization.U.K. Foreign Secretary Priti Patel is giving a rare public critique of U.S. President Donald Trump's travel ban, saying she believes it's not a good idea. Patel, a member of Prime Minister Theresa May's cabinet, said that she was "concerned" about the measure, which was signed early last month by Trump. Her remarks were made in an interview with the BBC published on Sunday. "I have a genuine concern with this president's approach to this issue. I believe that this measure could be counter-productive in our best interests," she said. Patel added that she's concerned that the ban will undermine the U.K.'s global reputation and said that it was "unfortunate" that the U.S. isn't including U.K. nationals "in this measure" of the ban. She later told Sky News that the ban "could have a detrimental impact." [BBC] Write to Hillary Leung at hillary.leung@time.com.1.
