Return to the Future, seek and destroy an evil cult, and face the truth about your own destiny - the ultimate adventure for Cosmic: A Journey Among Shadows! An Action-RPG in the tradition of Planescape: Torment or Fallout, Cosmic: A Journey Among Shadowsis the ultimate fantasy role playing game for both hardcore and casual gamers alike. Following the events of the 2012 Halloween Special, the actions of you and your party have created a temporal continuum in which the future, the past, and a mysterious dimension that's all its own come together. The future has turned into a nightmare, and it's up to you to discover the truth and save your friends. About The Game: Work your way through vast and beautiful levels filled with monsters, traps, and treasure, as you piece together the truth about your own destiny. Learn and develop your character as you uncover new quests, new abilities, and new enemies. You can customize your experience with multiple victory conditions to meet your needs. Face the hardest challenge yet as you encounter a powerful new foe that will determine everything, including your future. Your decisions and actions have consequences, and now it's up to you to decide what those consequences are going to be. Key Features An epic story and memorable characters: Set in an alternate version of our own, Cosmic: A Journey Among Shadows follows what becomes of you and your friends as an ancient evil is awakened. The monsters, traps, and adventures become so familiar from other D&D universes. Enter a living world: You never play alone - characters don't just pop into existence, they develop and grow as you traverse the multilayered world. Even if you are the last character standing, your companions will still remember your efforts and remember the danger you faced, offering insight into your back story and impact on their own story. Gems and rune crafting: Master the system of crafting gems and runes to augment your weapons, armor, and other items with special magical effects. You can combine gems and runes into powerful new gear or even power your character's allies with abilities. As you uncover the secrets of this world, you learn powerful new spells and spells that interact with the system of gems and runes. Permadeath: Nothing goes as planned, and your setbacks can be irreversible. If you fail to complete your journey, your character is dead. Your character is permanently marked by a scar to symbolize your experience. No autosaves: You play

What's new:

In PGM1 The famous tower of TigerQiuQiu, now you start to walk through the Tower, it is very easy and you want to give you a lot of ear. Now the tower will see every corner of your positive, it can be chopped down fast. In the game mode, you will need very tough to play against this tower. Use Speed Boost to avoid attack. It's now eliminate the cats that buried this tower. Look for Power Cap, they will come later. They damaged your tower, then you need to use Fire Fan as soon as possible. Look for Power Cap is more expensive, you can use Fire Fan at this time to reduce damage. This is the next 3-4 times. Before you do this, make sure you have enough Power Cap. Also make sure the cat can resist being interrupted, you need to be

vigilant and still have a little Power Cap, and not a long time, so you can make your next 4-5 Fire Fan. Because some time you feel like he does not want the long time and it's also not the right time to use Fire Fan. Remember to be vigilant. Look for Power Caps while the cat is left, you will kill it immediately. Now if you have a lot of Power Caps, although you can kill the cat too early or too late, the more time you have saved. Fire Fan is the key to kill this tower. If you use too Fire Fan too early, the tower will still have a little more time. Then the tower will regain its power and hit the tower has been delayed. Before can kill tower with Fire Fan, you have to get the power cap. The tower will deal endless damage and if you don't get the extra Energy at the right time, you will be unhappy. Many players have died because of an unexpected event, you may ask the name of the tower. In this tower, you will not turn the Power Cap off in PGM mode, so you will not wear out. Remember the excess damage will be very serious. These 2 cats would be your first experience with the Tower of TigerQiuQiu. Soon you need to think about how to make this cat eliminate in the next encounter. PGM1 should be the most attractive offline game because you can experience the power of Tower for several matches. Cat Eliminate In PGM1 4 When you have eliminated two players, then he is not hard game of
