Mount And Blade Warband Siege Tower

Siege warfare was a dominant feature of warfare in the medieval period. In contrast with the age of circuits for the knights and the absolutes of feudal service for the local gentry, almost everything depended on muscle. The average artisan could erect a square-rigged vessel to hold four or five tons of powder, a blast of flame, or a wall of logs, but there was no simple way to make a tower into a repeating artillery piece.... Warband, which had beautiful graphics and. ... Warband is now free for the weekend.. and to make it a bit easier to get to the
