im in need of advice on how to translate a book from arabic to english, and am hoping to make some money doing so. i would prefer to not make any changes to the actual words in the arabic book, but rather, just offer the text in english, with my translation below the arabic word. would i have to get permission from the author of the book? would the book i translate be considered a copy, and therefore i would have to do a revision everytime the author wrote a new book? any help or advice would be greatly appreciated. ilm tajwid al-quran : [download pdf ] by shaykh mardawayh ibn mo'men (rahimahullah). shaykh mardawayh has been a faculty member of the university of damascus in the department of islamic jurisprudence [fiqh] for over 30 years and was honored in 2009 as a distinguished professor in the university. shaykh mardawayh has been a prolific writer and author since his youth. as a result of his efforts, the tajwid of the quran has been emphasized through his lectures and book. ilm al-tajwid al-quran : [download pdf ] by shaykh muhammad al-haremi a.k.a. shaykh muhammad al-harem. shaykh al-harem is a professor of recitation of the quran at the university of sharjah in the united arab emirates and a student of the late shaykh al-burhani, from which he learned the science of tajwid from its roots. i am trying to download an english translation of sahih al-bukhari, but the file size is 895mb. it is the full version, no text edition. is it possible to download this? i don't have a connection to the internet right now. 5ec8ef588b
