Tuesday, October 22, 2015 A man in Indonesia has been warned that if he shows his penis or jokes about sex to a stranger, he could get beaten and raped. Local media reports that a 22-year-old man was warned at his work last week that if he showed his genitals to a female visitor to his office, he could face punishment. Ahead of the video the man can be seen standing in front of a screen showing a porno film before the two men start chatting. He then stands up and starts stroking his genital before joking about rape and how he did not know whether the woman would like it. The woman then tells the man that he should stop masturbating so he can be with her in the cinema, to which he gets angry and insults her for being a beggar. He then walks out of the room with the other men and repeats his suggestion that she go to the cinema with him, to which she states: 'Do you think I am a beggar?' The video, filmed on a mobile phone, shows one of the four men repeatedly saying they had no idea the woman was going to drop in. One man points at the screen showing the hardcore sex and says: 'The only thing I knew is there's a woman.' The men accuse the woman of 'gambling' with 'sex' and ask why she chose to film it. One man says: 'She must be so clever. Forget about it, it's not a big thing.' But another says: 'You're so clever. I'm sure you don't have the slightest idea she's doing this. I'm sure she's really nice. Only an idiot would film and then say no one's seen this.' The woman bursts into tears, saying: 'I am a beggar.' She then says she can 'go to the cinema'. Another man then suggests they both head to the cinema and says: 'Let's go,

you're so beautiful.' In the video, a man can be heard saying: 'I'm so happy you're here, because the cinema will be full of men.' 'You're so beautiful,' he adds. 'We are going to go to the cinema. You have no idea what you'll see,' the man says. After the man climbs on to the woman, he then begins to stroke
